

CATHEDRAL CASH FAQ

Q. - WHAT IS CATHEDRAL CASH?

A. - Cathedral Cash is a fundraiser for the Cathedral Parish and School. It is the easiest way to support your Parish and School, with your normal shopping and gift giving.

How it works:

- \$ Cathedral purchases Gift Cards from area Vendors at a discount
- \$ We sell to you at face value
- \$ The School or Parish keeps the difference!

For example:

- \$ We purchase a \$100 Giant Gift Card for \$90
- \$ You buy the Gift Card from us for \$100
- \$ You go to the Giant and buy \$100 of groceries
- \$ Cathedral Parish or School earns \$10

Q. - ISN'T CATHEDRAL CASH JUST FOR THE CATHEDRAL SCHOOL FAMILIES?

A. - NOT AT ALL! All Parishioners are encouraged to participate in this great fundraiser. If you do not have children in the Cathedral School, you can designate the profits from your purchase to the Parish operational fund or to the Bishop Thompson Scholarship Fund.

Q. - WHY IS THE ORDER SHEET ON AN ENVELOPE NOW?

A. - We updated the order sheet to an envelope to ensure that your payment and order sheet are accounted for properly and to reduce administration tasks.

Q. - WHY IS THE LIST OF GIFT CARDS SMALLER?

A. - We have reduced the number of Vendors that we keep in inventory to streamline our cash flow and increase our profitability. We chose the vendors that are the most popular and have the best turn around times. We do not make money on unsold gift cards.

Q. - YOU REMOVED MY FAVORITE STORE FROM THE LIST - CAN I STILL GET GIFT CARDS FOR IT?

A. - Absolutely! In some cases, vendors removed from the everyday stock are still available as we sell off existing inventory. Just Ask!

Remember, we can order hundreds of vendors not in our inventory. Special orders can be placed with Renee' Faust at the Rectory at 610-433-6461; leave a message on the Cathedral Cash voicemail. Special Orders take approximately one week to receive. If you need your gift cards quicker, you can expedite your order if you compensate the shipping fee.

Also, you can purchase gift cards through some of our stocked vendors. Stores like Giant and Weis, stock gift cards to other stores that you can purchase with their gift cards. In other words, if you want an itunes card right away, you can buy a Giant gift card through Cathedral Cash and purchase an itunes card at the Giant. In many cases, not only do you get your gift card quicker, you may get a greater profit!
